

Re: Lourdes Rivera

To whom it may concern;

I am an artist and a curator. I am writing on behalf of Lourdes Rivera, an artist I had the pleasure of featuring for a private corporate art event at Capital One bank two years ago in honor of Hispanic history month. The event was wonderful and her work mesmerized all the attendees. I think you'd be happy to work with her.

Best wishes,
Helene Ruiz,
artist, curator and founder of The Urban Individualists artist collective
